

Mary Pace
Vice President of Account Management & Managing Director
TMC GlobalStar

Mary Pace, Vice President of Account Management & Managing Director for TMC GlobalStar, is a 26 year veteran of the corporate travel industry. She majored in Travel & Tourism at Brigham Young University and began her career as the Corporate Travel Manager for the software company Novell, establishing their travel management program. She went on to work in the agency sector of the industry directing corporate travel operations, on-sites, account management & sales teams for various travel management companies before joining TMC GlobalStar in 2004. Her comprehensive industry knowledge and global account management experience make her an integral part of the TMC GlobalStar team, and worldwide GlobalStar alliance. She holds a CCTE designation and a **GTP (Global Travel Professional) certification** from the Global Business Travel Association and is an active member in the Silicon Valley Business Travel Association, currently serving as Education Committee Chair.
