

Adam Goldstein
Hipmunk

Adam is the co-founder and CEO of Hipmunk, the travel search site. Prior to establishing Hipmunk in 2010, Adam co-founded BookTour with Wired's Chris Anderson. He graduated from MIT in 2010 with degrees in Electrical Engineering/Computer Science and Mechanical Engineering, and was North American Debating Champion in 2010. Adam was also the youngest author ever at O'Reilly, writing *AppleScript: The Missing Manual* at the age of 16. Adam currently lives in San Francisco.
